

SPRINGWELLS RAN SENSATIONAL RACE.

Set the Track on Fire for Six and One-Half Furlongs in the Killing Time of 1:19 Flat.

GRAZED THE WORLD'S RECORD.

Salve Came Home on the Bit—Irresistible an Easy Winner—Louisville Likely to Close as Carded.

REPUBLIC SPECIAL.

Louisville, Ky., Nov. 11.—The Douglas Park Race Association entered upon its last week of racing in Louisville today. The club has been urged by the horsemen here to continue the meeting. The officials have come to the conclusion, however, that it would be to the best interests of the sport to close on the date advertised—November 12. The success of the venture has far exceeded the expectations of the promoters. Before next spring a steepchase course and golf links will be laid out in the infield, and a commodious clubhouse erected. Special efforts will be made to interest the social element.

Blustery weather had its effect on the attendance this afternoon. The racing was keenly contested, and although only one favorite won, the best horse finished in front in every event.

Springwells' Last Race.
The track was at its best, as was evidenced by the time made in the third race, a six and one-half furlong affair. Springwells ran the distance in 1:19—within one-fifth of a second of the world's record for the distance. Springwells had a world of speed in this event, and made a runaway race of it. The pace was very fast, the last six furlongs being covered in 1:12 1/2.

In the opening event Miss Guido, the favorite, led until she was overtaken by where Rile collared her, and, in a driving finish, beat her out half a length.

Irresistible proved an easy winner in the second race. Since the start of the season, an effort, and won in a gallop by two lengths from Florio 8.

Salve, the favorite, won the fourth race, and was never headed. He won, easily, by a length from Advocate.

The closing event of the day, the fifth race, was a six and one-half furlong affair. The favorite, Florio 8, was easily beaten by the favorite, Florio 8.

The meeting will end on Saturday. Most of the owners of the horses in the race, C. for the thirty-six days of racing, promoted by J. N. Hill, formerly secretary of St. Louis.
